

**Murray Valley**  
Winegrowers Inc

# Be informed....

THURSDAY, JUNE 9, Agriculture Victoria, Acacia Room, corner 11<sup>th</sup> Street and Koorlong Avenue, Irymple: Murray Valley Winegrowers (MVW) and the Australian Wine Research Institute (AWRI) will present two FREE information sessions.

***You can attend all day, or choose one or the other. Either way, lunch is included.***

Your day starts at around 8.30 when you collect your name tag, program and speakers' notes, and find yourself a seat.

## MVW morning session confirmed speakers:

Peter Bailey, Wine Australia, Manager Market Insights: ***Industry Recovery – fact or fiction***

Andrew Shields, Goulburn Murray Water, Manager River Operations Planning: ***Water Worry – will there be enough***

Gabrielle Ford, ACCC, General Manager Agricultural Enforcement & Engagement Unit: ***Get the Contract Terms Right – new law before next harvest***

Plenty of time for questions, morning tea and BBQ lunch at 12.30

## AWRI afternoon session:

- Is it possible to control bunch-rot without fungicides?
- Agrochemical Update
- Do you ignore your vineyard after harvest?
- Interactive discussion

**RSVP by Friday June 3 to MVW 5021 3911 or [mvw@mvwi.com.au](mailto:mvw@mvwi.com.au)**

**For catering purposes, please indicate whether you will be  
joining us for lunch**
