

MPVA ROOTSTOCK RESEARCH PROJECT

WEDNESDAY 3 JULY

With the rootstock trial entering the exciting phase of real statistical analysis, you are invited to join industry experts Melbourne University's Professor Pange Zhang and Nick Dry, Manager of the Yalumba Nursery, in discussing current data and rootstock and their effects on producing quality Mornington Peninsula fruit.

Tyson Lewis will commence the day with a short summation of the 2019 vintage weather data from our 7 stations.

When: Wednesday 3 July
Where: Merricks General Store
Time: 2:00pm – 4:30pm
