Levy Payer means for the purposes of clauses 25, 26 and 28, an owner of a winery or distillery, a partner of a partnership owning a winery or distillery, or a director or the equivalent of an association, body corporate, company or group of companies owning a winery or distillery, which has paid or is liable for the Wine Grapes Levy. For the purposes of clauses 25, 26 and 28 the following classifications of Levy Payers will apply:-

- **Small Levy Payers** are Levy Payers who crush up to 2,000 tonnes of winegrapes per annum;
- **Medium Levy Payers** are Levy Payers who crush between 2,001 and 50,000 tonnes of winegrapes per annum; and
- **Large Levy Payers** are Levy Payers who crush more than 50,000 tonnes of winegrapes per annum.

...

25.2 The Board will consist of the following persons, each a Director of the Company ...

- (c) six persons who are appointed by Wine Grape Levy Payers in the manner set out in this clause 25.2(c) and Schedule 1 attached, provided that at any time there must not be more than one director appointed under this clause who is employed by, or who represents:-
 - (i) the same company; or
 - (ii) any company and a Related Body Corporate of that Company.

25.3 It is the intention that the Directors will possess the necessary skills, expertise and experience to:

- (a) develop an understanding of and be competent to deal with the current and emerging issues facing the Company;
- (b) develop and have knowledge of the scientific aspects of the Company;
- (c) exercise independent judgment;
- (d) provide an industry perspective to the direction and the priorities of the Company's research, development and extension activities;
- (e) encourage enhanced performance of the Company;
- (f) effectively review and challenge the performance of management; and
- (g) otherwise comply with their duties as Directors.

25.4 For avoidance of doubt each Director appointed under this clause 25 must be a natural person and while they hold office is also a Member of the Company. However any employer or associate of that Director has no entitlement to become a Member by reason of that association or employment.

- (a) The method of appointment of the persons as Directors by the Levy payers referred to in clause 25.2(c) will be as is set out in the Rules contained in Schedule 1 attached.

- (b) Whenever a Director is to be appointed, the Members must ensure that, to the extent possible, the Director is appointed by the Small, Medium or Large Levy Payers (as the case may be) such that, following the appointment of that Director, there are two Directors who have been appointed by each of the Small, Medium and Large Levy Payers respectively.
- (c) For the avoidance of doubt persons appointed by the Small, Medium or Large Levy Payers are not to be construed as representing the particular interests of that classification but to facilitate a mix of Directors across the classifications.

26.3 All Directors will hold office for a period of three years or such other period as might be determined by the Board from time to time.
