

VINEYARD AUTONOMY DEMO MORNING

The AWRI invites you to attend a demo morning to see autonomous machinery in action. It will include updates on the equipment from last year's event and several new machines.

Date: Wednesday, 23 November 2022

Time: 8.00am - 1.00pm (ACDT)

Location: Jacob's Creek Visitor Centre, 2129 Barossa Valley Way, Rowland Flat, SA

This event is free to attend and includes a BBQ breakfast and coffee.

Booking is essential.

(Please ensure boots/shoes worn to the event have no dirt on them.)

[REGISTER HERE](#)

Demos and displays to be presented on the day include:

- Autonomous tractor kit (GOtrack)
- Autonomous robot (SITIA)
- Electric weeder (Agxtend)
- Knife weeder and mower (Clemens)
- Autonomous sprayer (GUSS)
- Autonomous drone sprayer (XAG)
- Off-grid autonomous mower (Husqvarna)
- And more...

This event is part of a project funded by:

Commented [ER1]: This will need to be updated to the new Department of Agriculture Fisheries and Forestry logo – available from the logos library on the Hub (because the department has changed its name)

Commented [AI2R1]: Added new logo
