

POSITION DESCRIPTION

Title of Position:	Viticulturist
Reporting to:	Team Leader – Engagement and Sustainability
Overview:	The Viticulturist contributes to the quality, integrity and sustainability of Australian wine through provision of technical support to grape and wine industry personnel.
Qualifications:	A degree in viticulture or a related discipline.
Experience:	At least three years of practical industry experience of grapegrowing and production practices.

Principal Accountabilities:

1. Respond promptly to Viticulture and Sustainable Winegrowing Australia enquiries received through the AWRI helpdesk.
2. Conduct helpdesk investigations, including small-scale research projects into technical problems encountered by Australian winegrape producers.
3. Collate and extend information on the responsible use of agrochemicals.
4. Develop and deliver fit-for-purpose content for extension and communications.
5. Participate in collaborative projects involving industry and other research organisations.
6. Contribute to viticultural activities across the AWRI.
7. Undertake other duties as directed by the General Manager - Engagement and Sustainability or the Managing Director.
8. Accept that all intellectual property, patents and discovery arising during the course of employment at the AWRI remain the property of the AWRI.
9. Ensure that all contact with clients, staff or the public is performed in a professional and confidential manner.

Person Specification:

1. Practical understanding of and experience in viticulture, preferably in a technical capacity.
2. Ability to work and communicate successfully within a multidisciplinary environment and across research and industry groups.

Corner of Hartley Grove and Paratoo Road, Urrbrae

Telephone 61 8 8313 6600

3. Ability to maintain effective working relationships and contribute positively to a team environment.
4. Superior oral and written communication skills.
5. Demonstrated computer literacy and analytical skills.
6. Willingness and ability to travel.

Workplace Health and Safety Responsibilities:

Employees and students must take reasonable care to protect their own health and safety, and have responsibilities to:

1. Ensure that they do not increase the risk to the health, safety or welfare of others through any act or omission.
2. Obey reasonable instructions that are designed to protect their health, safety and welfare.
3. Use, in the appropriate manner, equipment that is provided to protect their health, safety or welfare.
4. Not wilfully interfere with, or misuse, items or facilities provided in the interest of health, safety or welfare of employees.
5. Ensure that they are not affected by alcohol or any other drug to such an extent that they endanger themselves or others.
6. Report promptly, any hazards, incidents or injuries to their Manager/Team Leader.
